A classical Mediterranean style villa with 12 bedrooms, situated in the prestigious La Zagaleta Country Club. This south west facing villa enjoys fabulous views over its own landscaped gardens, the surrounding mountains and the Sea. On the ground floor, the majestic entrance hall with a double sweeping staircase and central octagonal domed window from which hangs a central glass 8 metre glass Chandelier above a glass fountain. The extensive living room with fireplace is connected on either side to a separate TV room and the dining room. Also on this level are 2 offices, and an elegant library in solid cedar wood with an intricate marquetry floor, as well as the beautiful handmade designer kitchen (in Gautambo and birds eye maple). In the kitchen there is a large central island has a Zimbabwe granite work surface. Also on this level there are a further 2 en-suite bedrooms. All rooms give out onto extensive terrace areas which in turn lead onto the lovely mature landscaped gardens and large swimming pool. On the first floor, the master suite, featuring twin walk through dressing rooms and bathrooms takes up the whole southern aspect. The views from the Master
