Luxury off plan frontline Golf villa currently under construction in Los Flamingos Golf, on a first line golf course location and with amazing golf and sea views. This villa combines the simplicity of the design with the latest technological advances, new materials and top quality finishes, achieving a unique result of habitability, style and comfort. Located in the prestigious Urbanization Los Flamingos, first line golf course, next to the Villa Padierna Hotel and the security gate, this amazing villa combines the proximity to the city of Marbella and the cosmopolita marina of Puerto Banus with its trendy boutiques, luxury cars and yachts, glancy restaurants and ambienced night life, with the calm of a secure urbanization with private access. A high standing villa that emphasizes the illumination of the "Costa del Sol" and enhances the beauty of the surroundings. One of the constants in Manuel Burgos' desings is the creation of harmonious spaces that welcomes the visitor to live in and be part of it. His experience leads him to synthesize architecture, creating those attractive and luminous environments that make us enjoy every day. Using the natural materials of the area transmitting...
