Ultra-modern contemporary designed villa, a few meters from the beach in Casasola, stunningly finished to embody all modern luxuries including a 200m<sup>2</sup> sea water swimming pool, gym, indoor spa, staff quarters, as well as an amazing roof-top terrace with sea views. Each of the villa's six en-suite rooms is uniquely designed with private terraces that open up to picturesque views. Villa California has been exquisitely designed by a renowned architectural studio and was recently completed in 2020. This south-facing property comprises 6 generous-sized bedrooms with Italian bathrooms equipped with Hansgrohe fittings, Philippe Starck sanitary-ware, and a fully fitted and equipped Gaggenau kitchen with Miele appliances. Some of the main features include: large dressing room in the master bedroom, salt water swimming pool, preinstallation for sound system, home automation system, perimeter sensors, underfloor heating and air conditioning throughout, roof-top terrace with sea views and much more. This stunning home is also splendidly situated. Casasola is a tranquil residential neighbourhood with a variety of international schools, restaurants,
