This is a spacious traditional villa, located in a quiet enclave with magnificent views, in the upper part of El Paraíso, Benahavís. The house has 5 bedrooms, all with their bathrooms en suite and with access to the large terraces with incredible views of the sea and the mountains. In addition, we can find a very large living room with a fireplace, an office, as well as a large kitchen perfectly equipped with everything you need, with Bosch and Siemens appliances and a breakfast bar. The villa has a very large basement, divided into a garage for 2 to 3 vehicles plus a complete apartment for the service, laundry area and an incredible cellar. All floors of the property are linked by a qualitative elevator. In addition, the house has heating, underfloor heating and hot / cold air conditioning. Finally, the outdoor area is made up of an incredible and well-kept mature garden where you can enjoy the good weather, the pool, and family and friends.
