This spectacular work of art is located in one of the best areas of Marbella: Los Monteros, with impressive views of the sea from all areas of it, as well as an incredible outdoor area, where you can enjoy the good weather that the Costa del Sol offers throughout the year. The incredible modern style home boasts impressive architecture and has been created with the highest quality materials. In addition, its interior design, including furniture and decoration, has been carried out under the highest and most modern standards. The house has a very large living room, as well as 6 magnificent suites, a huge upper solarium with a Jacuzzi and a garage for five vehicles. In addition, its large basement can be used, as the client wishes, for a cinema, spa, gym or games room. A unique opportunity to acquire one of the most spectacular homes on the Costa del Sol and in one of the best areas.
