Driving through the beautiful Andalusian landscape we can already see this IMPRESSIVE VILLA Lloyd, from afar between the mountains of Alozaina. It cannot be missed that this is the property we are going to visit today. Via a good dirt road of about 1 km we arrive at the Villa. We park the car and there is plenty of space for several cars to park. We are in front of a beautiful authentic Spanish double door. We leave it closed and enter the house through a door on the side. When opening the door we enter the hall. What immediately attracts attention is the spacious layout of the house because we can immediately look far away into the living room. Before we walk further we first look at the first, of no less than 7 BEDROOMS in total, which can be reached directly from the hall. This bedroom has an ensuite bathroom. Here comes our first idea. By closing the passage to the living room you can create an apartment with private entrance and private terrace. We walk through to the living room, which is overwhelmingly large, and extends over almost the entire width of the house. The living room is large enough so there is also room for a dining table with no less than 16
