This very well maintained 7 bedroom village house is located in a quiet street of Alora pueblo. The accommodation extends to 146 m<sup>2</sup> in total and is offered over two levels. At street level, one enters into a welcoming reception/lounge. There are three other rooms currently used as bedrooms on this level plus a fully fitted kitchen and a large bathroom. To the rear of the property is a small private patio which features a very interesting little "cave" ideal for use as a bodega. The first floor offers 4 further rooms currently used as bedrooms and also offers access to an upper terrace of which there is a further store room. This property has been very well maintained by the current owners although it is a little dated in style. This property offers a potential buyer the opportunity to buy a comfortable home or indeed is sufficiently large for exploitation as a guest house or a B&B.
