Original unmodernized 2 bedroom house set high up in Fuensanta de Martos, there is an outside toilet connected to the main drainage system, there is another structure at the end of the garden that could be used for a wendy house or other additional accommodation. Upstairs there are two bedrooms, downstairs there is a lounge and another room. All other mains services available right outside the door. Rear roof needs replacing, owners plan was to re-roof both houses to get the benefit of economies of scale. Positioned high up in the village yet close to the countryside and easy access for all the main roads to Jaen, Granada, Malaga etc. [fuensanta/ google maps link and streetview goo.gl/maps/E5oMTjJ4ftB2](https://www.google.com/maps/@37.8544444,-4.8544444,15z) More about the Village here data.kyero/en/data/spain/guide/fuensanta-de-martos.
