luxurious villa for sale in Puerta Fenicia, Javea. Rich in many amazing extra features like guest house, landscaped gardens, steam room, Jacuzzi, infinity pool, and others. This spacious villa is composed of 3 bedrooms, a large and bright living room which has direct access to the private luxury infinity pool, and a big fitted kitchen. The villa also comes with a separate guest apartment which is made up of 2 bedrooms, a shower room, and a large living/dining area. The swimming pool comes with a pool complex which includes swimming area, children's area, Jacuzzi, disabled access... This superb property benefited from the latest building technology as well as an individual processing of the materials, all implemented to the last detail, making it a truly unique home. It is located on a corner plot in a highly desired residential area of Javea, with access to great views to the sea and Montgo mountain.
