RECENTLY BUILT MODERN VILLA WITH SEA VIEWS IN MORAIRA This villa is situated in a very quiet area on only two minutes' walk to the nearest shops and twenty minutes to Moraira center and beach. The villa is distributed over 3 levels, all connected by internal staircases, but the lower level also has its own access. On this lower level there is a complete self-contained apartment with a living room, kitchen, 3 bedrooms and 2 bathrooms (one of them is en-suite). The main house has on the ground floor two bedrooms that share one bathroom, a living room, separate dining room, completely fitted kitchen, porch, pool terrace and heated saltwater pool. On the top level there are two more bedrooms, each with their own en suite bathroom and a large terrace. Outside there is a covered parking and garden around the villa. A lot of value for money!
