This is a new development of luxury villas, consisting of spacious living areas, open plan fully equipped kitchen with electric appliances, double bedrooms, decorated bathrooms. These properties will be finished to the very highest standard of qualities, using the most selective brands. The villa is available with 215m² built area and will be situated on a plot of 600m², enjoying an outdoor private pool, ample terraces, a garden and off-road parking space. This house is already in construction and can be completed in 12 months. We offer the best possibilities to design and personalize the houses to your personal unique taste. Costa Blanca. Situated in a 244km total stretch of land in the province of Alicante, Spain, facing the Mediterranean Sea. An average of 300 days of sun light per year and a temperature of 20° makes it a very popular destination. Various golf courses and shopping centres as well as sand beaches can be reached in a few minutes by car and the motorway is 6 or 7 minutes distant. The car journey to Murcia airport takes less than 30 minutes and Alicante airport about 50 minutes. The situation of the house offers maximum sunshine and comfort.
