The semi detached villa consists of a entrance porch, living/dining room with open kitchen, 2 bedrooms and full bathroom. From the terrace you can access your own private garden and can enjoy a glass of wine in the sun under some olive trees or orange trees, while it is raining at home. These lovely villas are built in two groups of four, each group having its own swimming pool, and communal garden. This small development is set in tranquil surroundings, and will have it's own private access road. The location is within walking distance of some of the best restaurants of the region, offering traditional and home made specialities at incredible value.
