Apartment, Calpe, Alicante

410,000€

Luxury residential project of 15 floors with a choice of 37 apartments of 2 or 3 bedrooms with beautiful views of Calpe, the Peñon and the ocean! All units have spacious and sunny terraces that embrace the outdoors and welcome plenty of natural light and the pleasant sea breeze. There are also two duplex penthouses available, with private pool and a roof terrace with unbeatable views over the Mediterranean! The luxury apartments are designed with an eye for detail and are built with excellent materials and have a high quality finish. The layout of the apartments has been carefully thought out to provide maximum comfort and accommodate the many aspects of your Costa Blanca living in the sun. The complex has beautiful communal areas including a swimming pool, children's pool and lush landscaped gardens which provide a green and peaceful oasis where you can relax and enjoy the Mediterranean climate. An optional parking space and storage room is available for each apartment in the garage below. Silver Towers has a privileged position just 150 meters from the popular Arenal beach and very close to "Baños de la Reina". The nearby promenade, with its lively bars, restaurants,
