We are delighted to present this AMAZING and very rare opportunity to acquire an old Spanish Cortijo close to the centre of the popular town of Arboleas. Your very own project in a super convenient location, close to shops, restaurants, bars, medical facilities and much more. The beauty of this Cortijo is that it is perfectly liveable, so you can take time with the restoration going from room to room whilst still having a home to live in. There is really no "right" way to describe this character property, simply because the configuration of the rooms and flexible layout allows you to really run wild with your imagination. It has bags of charm, original features including wooden shutters, and is typically quirky - you will not be able to walk away from this Cortijo without a smile on your face and a brain buzzing with ideas from the potential this home has to offer. Not to mention the fantastic investment it presents for the lucky buyer! Back to the description - I have described the Cortijo as a 5 bedroom, 1 bathroom property, but with 359 sqm of living space there is much more to explore. So please take this description as my interpretation of the accommodation. It all depends ...
