N/A

It is a house that fuses the linear and modern design. Has the peculiarity of not having neighbors behind or in front, with views of the swimming pool that the residential property has. This model has two interior distribution options, obtaining up to 3 bedrooms and a solarium terrace with private access from the house. In one of the bedrooms, there is a large front glass that brings natural light to the house practically throughout the day. The houses are distributed in two heights, duplex type, with a staircase of steps in linear and simple finishes. Outside, it has a 30 m2 parking garden and a backyard. It has a community pool. HOW IS THE INTERIOR OF THE HOUSE Allows you to configure the home in 2 different interior distribution options. The house can be distributed with 2 or 3 bedrooms, with a semi-independent or American kitchen, 3 bathrooms and a private solarium in each house. The interior finishes of the house will be made up of porcelain materials in warm tones from Porcelanosa, with high kitchen cabinets and appliances included. COMBINATIONS OF THE HOUSE Offers the possibility of distributing the rooms of the house according to the preferences
