New luxurious set of exquisite villas located in a secure gated golf and country club estate, front line to La Resina Golf Course. All villas are located on an elevated hillside providing stunning views of the Mediterranean Sea. Each Villa consists of two floors and a basement, first floor being a spacious living-dining area with an open plan kitchen and access to the terrace with swimming pool. The top floor houses bedrooms and bathrooms and the basement can be fitted in any way the owner desires. Also each property is secured with an alarm and security camera system.
