La Sabina is a community of two and three bedroom homes in Casares Costa, spread across 6 homes, designed on a single site, with 360° views of the sea and mountains. The urbanization includes green spaces, an adult swimming pool, a children's pool and a social club. The location is enhanced by a large balcony overlooking the common areas. Each house has its own outdoor space, either a garden or a terrace, so you can make the most of what La Sabina has to offer. The residences are designed to meet the highest demands in terms of comfort and quality, from air conditioning to fully equipped kitchens, including carefully selected finishes.
