Exclusive Independent Villas Contemporary villas that combine modern lines with traditional elements such as stone on the façade and imitation wood lintels on the windows. The distribution of these homes helps to make the most of the sunlight throughout the day and, equally, their layout favours privacy. This project consists of three models: The 3-bedroom properties with a charming single-level design and a 4 or 3-bedroom property distributed on two different levels to enjoy the magnificent views. These detached villas are located on a privileged spot, few meters walking distance from the Alfarella golf course, one of the most exclusive Costa Blanca golf courses.
