EXCLUSIVE - Cortijo Sevilla is a large corner townhouse in the center of Periana, next door to the old townhall, with all amenities only a short walk away. There is a garage and workshop with an automatic door just off the main street. The house itself is very spacious and comprises of 4 very large bedrooms and 3 bathrooms. It is structurally sound and ready to put your own stamp on, it just needs second fittings installed i.e kitchen and bathroom fittings. The roof terrace is very big at 120m<sup>2</sup> with a reinforced floor, ideal for a jacuzzi and outdoor furniture. The views from this terrace are large open ones of the village, mountains, lake and sea. This house would suit somebody looking for a large house within walking distance to bars, restaurants and shops.
