Location, Location, Location For sale this unique, very charming ecological Andalucian country estate. Located, with excellent access along a well maintained country track , just 6km from the Andalucian pueblo of Ardales and less than 10kms from the Malaga lake district and less than 1 hours drive from Málaga international airport, this property has been owned and cherished by the same family for , at least, 4 generations. Set within 181,300m² (45 acres) of productive ,organic almond and olive groves, the cortijo style house and outbuildings have been very well maintained by the current owners , retaining lots of charming, traditional features but also offering comfortable, 21st century living. The main house, cottages and outbuildings extend to 608m² in total and are set around 3 sides of an expansive Andalucian patio or courtyard. The main farmhouse extends to 266 m² with accommodation distributed all on one level, offering 4 bedrooms, 2 bathrooms , a very attractive Andalucian style kitchen , separate “walk -in ” pantry, and spacious lounge/ dining room which hosts a very efficient wood burning stove and enjoys access directly out onto a fabulous 150m² private
