An exclusive villa for sale in Mijas, designed in Scandinavian style, spacious, with 3 separate sleeping areas and not to forget, the stunning panoramic sea view combined with the gorgeous mountain setting in the background. This stunning house is built on a plot of 4.700 m<sup>2</sup>. Wonderful views welcome you as you enter the house. Walk in and to your right you will find a huge lounge and dining room with large picture windows to take in the views. On your left you will find a huge modern kitchen. From the lounge, entrance, and kitchen you have direct access to the terrace. On the same level you will find the master bedroom ensuite and another large bedroom ensuite. There is a 2-bedroom guest house and on the ground floor you find the 5th bedroom with en suite bathroom. In the basement you have a garage large enough for two cars, an engine room, and a gym. There is a nice big pool area and a jacuzzi. Mature and lush gardens with a tropical feel.
