These fantastic houses are covered with natural stone for minimal maintenance, the double height of the living room and large windows provide a lot of natural light. Each house has its own plot with its own garden, terrace and pool, the latter is optional. Parking on the plot. Blinds are made of high quality aluminum, blue-gray color. The lighting will be of the LED type, both indoors and outdoors. The air conditioning in your home will take place through a central duct system, be present throughout the home, be prepared for cooling and / or heating machines. The kitchen is equipped with furniture, fan, oven, ceramic hob, surface treated with plinth of the highest quality and silestone worktop. The energy efficiency of the white goods is category A. Pilar de la Horadada is the southernmost town and municipality on the Costa Blanca in the province of Alicante. The city is located on the border between the Comunidad Valenciana and the Murcia region. The town of Pilar de la Horadada is a typical Spanish town located just 2 km from the coast and the popular beaches of Torre de la Horadada. In the center of Pilar de la Horadada you will find all amenities: shops,
