Cared for and designed for your well-being, this house clad in natural stone is consciously and handcrafted by a team backed by more than 40 years of experience in the construction and design of houses. The double height of the living room and the natural light in its bathrooms are some of the surprises that you will find in our homes. Located in the municipality of Pilar de la Horadada, they have an optimal location, having easy access to schools (200 m), medical centers (250 m), pharmacies (100 m), beaches (1.6 km) and surrounded by parks, areas green areas and transportation services.
