Ideal house in the center of 3 floors with two large terraces just 5 minutes walk to the beach. The property is divided into a ground floor with a full bedroom, toilet and a beautiful traditional outdoor patio so it is very bright. Then we go up a staircase and we have another 2 bedrooms on the left, with a living room, kitchen, full bathroom; and on the right another currently empty bedroom and living room. Then we have a long balcony with direct views of the city to get some fresh air and observe the life of the city. The house is very bright on all its floors. Then we go up and we have another bedroom, another complete living room and a toilet. In addition to an area used as a storage room. At the top it has a huge terrace that occupies the entire surface of the property; Ideal for sunbathing, exercising, using as a solarium and on top of the terrace another one, so the amplitude is very extensive. The property is located in the heart of the city of Estepona, right in the center, in one of the best areas; being one of the most frequented streets of the city; with different shops, shops, supermarkets, restaurants, pharmacies. It also has many possibilities to establish businesses...
