We bring you this exceptional Detached property in the sought after area of Montesol in Algofra , just across from La Finca Golf urbanization and within walking distance to the commercial center.The property is laid over 2 levels . On the first floor you are greeted by a glazed in terrace that opens up to a large living room with separate kitchen and utility room. On this level there are 3 double rooms (master en suite) , one of them currently used as a dining room and a family bathroom. From the front terrace stairs lead up to the sunny solarium with beautiful views over the mountains.On the ground floor (underbuilt) there is a big living-dining area with separate kitchen, 2 double bedrooms, family bathroom and storage room. This area is completely separate from the main house and is perfect for guests , granny flat or possibly to rent out for extra income, there is a separate electric box.There is air conditioning in both levels and ceiling fans and the main residence has a log burner.there are many storage cupboards built on the outside of the house and sunny terraces wrapped around. The community pool is only 50 meters
