Bungalow, Torremendo, Alicante

64,000€

We bring you this traditional style property all in one level in the center of Torremendo village in need of renovation within a short walk to the lake. At the front you have 2 bedrooms (one en suite) followed by a large living room and another bedroom beside it ; right at the back there is a kitchen with utility room and a separate bathroom. The garden is a good size and sunny and has a couple of outbuildings which can be taken down to make it bigger or renovate them to have extra storage . The house has 2 entrances, the main entrance and the separate entrance beside where you can go directly into the garden from the street, perfect for bikes, and also pets.
