Stunning contemporary villa located in the prestigious Benahavis Los Flamingos Golf Resort. Located on one of the highest points in the area with a spectacular golf course and ocean views, this beautiful home was designed and built to the highest standards. The villa is located on four floors all with lifts, and the construction area is 1128 square meters. The front door opens onto a beautiful hallway with a truly beautiful view and opens onto a bright and spacious space with wooden ceilings long, where attention to detail is immediately apparent. Floor-to-ceiling windows provide uninterrupted access to large private terraces, gardens and a beautiful infinity pool. This level includes a sumptuous kitchen, dining room, office and two-bedroom suite. Upstairs, a private master suite opens onto a balcony with arguably one of the best views of the ocean. Designed with entertaining in mind, this home awaits your family and friends with a spacious open plan interior designed by Roche Bobois, an open plan kitchen and a stunning entertainment area and lower floor! Downstairs is a fully furnished bar area with pool access! Professional entertainment area, pool table and additional patio.
