The residential complex of 9 villas with swimming pool and sea views in Finestrat in the heart of the Costa Blanca. These 9 independent 2-storey villas have 3 bedrooms -one on the ground floor- and 3 bathrooms, as well as a private garden and swimming pool and a large garage with 2 parking spaces. Thanks to the large windows, the indoor-outdoor connection allows the properties to blend in with the surroundings and you can enjoy the Mediterranean landscape just by opening the terrace doors. A combination of design and comfort, with an open layout and extreme attention to detail, including your 44 m<sup>2</sup> open kitchen-dining room. The homes are the balance between privacy and connection. All this in a privileged location in Finestrat, with views of the Mediterranean, the Sierra Helada of Benidorm, the Cabo de Huertas of Alicante... A corner where nature is part of your daily life. And just 15 minutes by car from the centre of Benidorm, 40 minutes from Alicante International Airport and close to all the services you need - schools, supermarkets, golf courses, medical centres and leisure areas. You are a golfer and you will appreciate this course (not easy) in Puig
