The house is located in the upper part of the plot, getting the best views over the Mediterranean Sea and over Altea. The lower part of the plot is covered with vegetation, improving the overall view, amplifying the range and adding the connection with the nature of the sea and the mountains. Villa Europa has 4 levels. Entering the house, we reach the garage, going down from which you access the first level with 4 bedrooms, all equipped with individual bathrooms. Below, you will find the kitchen, dining room and living room with access to a large terrace with infinity pool. On the ground floor there is a large room that can be derived both for the gym, and for the rest area with sauna and billiards, according to the client's wish. All rooms in the villa are inverted towards the sea, providing exceptional sea views and infusing them with sunlight. EQUIPMENT: lift, close to the golf course, close to the beach, close to shops and restaurants, gated complex with surveillance, good access and infrastructure, ideal for rent, laundry room, automatic garage door, garage, home automation, alarm, lift
