Exclusive! 2-bedroom 2-bathroom luxury villa located in the Costa del Sol. Set to become an iconic development and one of the most prestigious urbanisations in Southern Europe, conveying 50 years of dedication, effort and passion. Has been designed as a residential complex of 157 homes distributed in 4 blocks. The first two blocks face East; these two blocks consist of 78 homes that are arranged one above the other so as not to interfere with the views. The other two blocks are South facing. Located between the Costa del Sol's most popular cities: Malaga, the capital, and Marbella, an international benchmark for luxury. The development is inside the prestigious urbanisation Reserva del Higuero, a magnificent place to live surrounded by peace and serenity yet just a few minutes from Benalmadena, Puerto Marina and Fuengirola. Upon entering these extraordinary villas, you are greeted by a sense of grandeur and refinement. The interiors are adorned with premium finishes, high-end materials, and tasteful furnishings, all meticulously chosen to create an ambiance of pure luxury. Spacious living areas seamlessly flow into gourmet kitchens equipped with state-of-the-art
