Parcel of 12.522m2 with three houses and two pools, totally fenced and with two separate entrances whereby the houses are independent. Situated between Mijas and Fuengirola in the área called Rancho de la Luz. The higher part of the land with excellent views over the sea and the coast. This área will soon be declared urban land by Mijas Town Hall which makes the property even more interesting from an investment point of view. Has its own water deposit. And an Ample garden with exotic plants. More like a park. The houses are furnished and decorated in a very attractive and personal way. One of the houses, the guest house, has an oriental style decor making you feel like you are walking straight into a love nest of Thousand and One Nights
