Town House, Periana, Málaga

99,500€

Casa Tranquilidad is a 2 bedroom, 2 bathroom, end of terrace property in the center of the village of Periana, with all amenities on your door step. It has been fully reformed and has kept its Spanish charm with wooden doors and windows and the original tiles sealed and polished. There are 3 small steps off the main street up to the front door, which leads into an open plan living area. There is a guest toilet and the lounge area has built in shelving on the walls. The kitchen is typically Spanish and has marble work tops, an electric oven and a gas hob. The internal stairs lead up to 2 double bedrooms with fitted wardrobes and a separate shower room. Above this floor is the roof terrace which has distant views to the lake, sea and mountains. There is also a very useful store room on this level which could be used as a utility room or office. This is a turn key opportunity to buy a house in a quiet street, within walking distance to all amenities!
