Apartment, Marbella, Málaga

990,000€

New to the market enormous apartment in the center of Marbella in the area of La Fontanilla. Recently totally refurbished to the highest standards and great attention to detail. Perfectly designed and distributed into four bedrooms and three baths. Very large open plan kitchen-living space. Master bedroom en-suite with small office space. Totally independent from the rest of the apartment including its own terrace. The rest of the bedrooms are very large and two share one bathroom and the third one also en-suite. Property includes parking space and storage. Water supply and hot water system included in the community costs. Extra parking spaces available in the community following special annual request.
