A new and luxurious spectacular complex that enjoys a privileged location in a gated community with 24 hours security, concierge service and high-end amenities. Located next to Calanova Golf, the urbanisation enjoys breathtaking views of the Andalusian mountains and the Mediterranean Coast. The urbanisation consists of 19 detached villas each with its own garden and pool. The communal amenities include an indoor pool, spa, gym and a home cinema. Charm and sophistication with the intention of creating a new concept of private community in the most desirable location. The vision is to offer a respectful and sustainable residential project with the environment. It will incorporate the best qualities of materials, the latest technologies and refined and sophisticated specifications that guarantee a luxurious lifestyle. For the creation of the modern individual villas, Javier Alberro used some elements to apply a natural style to the houses and the community, using a beautiful tropical landscaping. Only 7 Villas Left - from € 1.495.000 to € 2.250.000
