Front line golf, South facing villa situated on a private plot with mature gardens, private pool and parking for 3 cars with views to the Miraflores golf course. Entering the plot via the electric gate there is plenty of room for parking. The villas gardens and terraces extend around the property offering spectacular views of the golf course. A covered porch brings you to the front door. On entering the property you're greeted by a large reception area which can also be used as an office area. On this level there is also a large seating and dining area with access to the terrace overlooking some of the gardens and pool with views to the driving range located approx 100m's from the property. There is also a modern kitchen and a guest toilet on this level. The upper floor is distributed between a large master suite with en suite bathroom, 2 large double bedrooms and another bathroom. Air conditioning is installed, working fire place in the lounge and the windows have been triple glazed along one side. The property has been recently redecorated and the kitchen upgraded but would also benefit from upgrading the bathrooms. With the Miraflores golf club houses, located close
