Villa, Camposol, Murcia

219,000€

Great location! Lovely 3 bedroom, 2 bathroom detached Neptune Style villa with stunning open views on an extra large corner plot with a very well presented garden area with private pool. Walking distance to the commercial area on A sector of Camposol. This property got it all. Enter this property via the front gate that leads into the large, landscape garden area. This garden area is nicely landscaped and has plenty of seating areas with a raised terrace to enjoy the stunning open views at one side and towards the Sierra Espuña National Park on the other side. To the left of the villa is the pool area with lovely covered seating area. There is also a sauna, but this is negotiable. You enter the property into a conservatory where you have stunning open views over the countryside and mountains in the distance. The front door opens into the spacious lounge area. Here you have air conditioning, ceiling fan and a fire place to keep you comfortable the whole year around. Through an archway you come in to the dining room and from there into the fully equipped kitchen with lots of cupboards and working space. At the other side of the lounge a small hallway will take you to the 2
