A luxurious, contemporary, new Villa, located right on the Mediterranean beachfront of Mijas Costa. Completed in geometric, modern design, this villa comes with an abundance of glass and natural light, large open spaces, and breath-taking panoramic views. Built on a large 2.190 m² plot, this 1.261 m² villa is composed of beautiful lounge-style open and covered terraces, the building itself and a large outdoor swimming pool. The interior of the Villa is completed with high ceilings and intricate lighting designs. Large windows and mirrors on the walls add more visual space to the internal design, making it look even more immense than it already is. An open plan living/dining area is complemented by a fireplace salon, which adds intimacy and coziness. All 4-bedroom suits have their own modern bathrooms and independent domotics. The master bedroom suit has its own sauna and jacuzzi. The tremendous house features an office, 3 guest toilets, laundry room and a storage. The garage has space for at least 3 cars; there is an ample outdoor parking for several cars, plus a marine vehicle garage conveniently located next to the beach gate. The villa also has plenty of
