Apartment, Javea, Alicante

260,000€

Fabulous apartment on the top floor less than four hundred meters from the sandy beach of Jávea, with all the facilities on foot, including restaurants, shops, pharmacies and other amenities and with wonderful open and sea views. The apartment has three bedrooms and two bathrooms, one of them ensuite. When we enter the apartment, we highlight the wonderful light that evolves the entire property and the spaciousness. From the living room we access a large balcony, fully glazed and integrated. From the kitchen we can also access the balcony. The living/dining room is spacious, bright and offers many possibilities to enjoy a place for both vacation and all year round. It is located in a completely gated community, and has a concierge for greater security. It offers covered parking and storage room included in the price. A property that offers a magnificent location and amenities. Features like a security door, ceiling fans can also be found in the apartment.
