Casa Lola is a detached, 2 bed, 1 bathroom property situated on the border of Vinuela / Cutar. It is on a track which is maintained by the local Town Council and benefits from being private and totally enclosed. The villa is on a plot with established fruit and Olive trees with country views. A septic tank services the villa and there is an outside barbecue, utility and well maintained pool. The property maintains its rustic charm with original wrought iron rejas, wooden windows and beamed ceilings. Outside there is a front terrace with space for entertaining which overlooks the garden and pool. The front door opens into the L shaped kitchen and would benefit from a reform as there are limited units, however is light and bright with views to the countryside. The open plan lounge diner has a feature stone wall with open fireplace and opens to the dining area. There are 2 double / twin bedrooms and a fully tiled bathroom with enclosed shower (no bath).
