We are pleased to offer this beautiful finca that is only 5 minutes walk from the stunning town of Hondón de los Frailes. This villa is situated on a 2400m² plot of land, and surrounded by the most breathtaking views of the valley and mountains. The garden has been very well looked after and maintained with plenty of fruit trees (apples, oranges, cherries, figs, almonds, etc.), as well as beautiful olive trees, palm trees and other mature plants of the region dotted around the different seating areas. There is also an outdoor kitchen, right by the 10x5m private swimming pool, where you will also find the separate bedroom and bathroom with its own entrance for guests to enjoy their privacy. The drive, with off-road parking is big enough for 2 cars. All the rooms benefit with A/C. The large living room with open plan kitchen, has a fireplace. The villa also has central heating, an alarm system, solar water heating, internet and satellite television.
