Escape to Murcia — where the sun is generous, the sangría optional, and this semi-detached country house does most of the hard work for you. We proudly present a rare, income-ready farmhouse-style home. Quick facts that make this irresistible: Total accommodation: 7 double bedrooms, 5 modern bathrooms, and 3 fully equipped kitchen/living areas — perfect for extended family, friends, or three separate rental units. Three self-contained apartments: Ground-floor Apartment 1: 1 bed, 1 bath, open-plan kitchen/living area — cosy and practical. Ground-floor Apartment 2: 3 beds, 2 baths (1 ensuite), open-plan kitchen/living area — roomy and comfortable. First-floor Apartment 3: 3 beds, 2 baths (1 ensuite), open-plan kitchen/living area — bright and airy. All apartments fitted with brand-new kitchens, modern bathrooms and central heating with radiators in every room and corridor — so winter visits remain cuddly, not chilly. Outdoor living that actually lives up to the hype: Swimming pool approx. 10m x 3m with jacuzzi, built-in seating, waterfall feature and a child-friendly splash pool — ideal for splashing, soaking or pretending you're on holiday.
