Bought by the present owners in 2002 the property has been lovingly restored keeping the original character, but with all modern conveniences. Casa Blanca is surrounded by orange and lemon groves and with stunning mountain views. The owners ran the retreat from the main house which is where they stay. The total built area of the property is 480 m2 including the garage. Downstairs accommodation consists of an entrance hall, three bedrooms, dining room, sitting room, small lounge with solid fuel stove, kitchen, lobby and bathroom. Small room used as an office. Upstairs is a reception area, 60 m2 Yoga studios and a treatment room. Bathroom. The property is set in 1,200 m2 of mature gardens with extra space for parking 20 cars. Pretty Meditation Garden and terrace. There is a barn to renovate which could give separate accommodation. Above ground pool with stone surround. Garage. Situated near to the small village of Arboleas. Almeria airport is within easy driving distance and you will find all manner of shops, businesses, bars/restaurants in the city center of Almeria. From Almeria it is possible to take a boat over to Africa. Also the Cabo de
