This property is located in the exclusive urbanization of Cortijo San Rafael, between Nerja and Frigiliana. Ideal as a family home or could even be made into a small Hotel. Built in 2002 using the finest materials. Designed with space, light and accessibility throughout. The accommodation is distributed over 3 levels with the top level as an office room/bedroom and roof terrace with gorgeous views to the mountains and the sea. The impressive entrance hall leads through to a spacious lounge with a log stove burner and 2 large windows with views to the private pool area, mountains and Mediterranean Sea. The individual kitchen is bespoke and fitted with modern, top quality branded appliances. There is a large, separate larder and also utility room where you would house a washing machine, tumble dryer etc. There is a back door leading out to the garden. In the kitchen, you will find a charming breakfast area leading out to a good size terrace overlooking the gardens with sea views. General: The property has air conditioning & heating in the main rooms and is wheelchair accessible to all areas of the house and gardens, therefore is ideal for
